The Unitarian Universalist Fellowship of Los Gatos is committed to providing a safe, fun and stimulating environment in which children are exposed to our Unitarian Universalist principles. We work as a cooperative with the parents who have children enrolled in our Religious Education program, as well as with paid teachers and volunteer staff. As a cooperative program, we depend on your assistance and kindly request that you volunteer in the classroom once per month. On the back of this form you may indicate the ways in which you wish to volunteer.

I have read and understand the Safety Policy. I entrust my child(ren) to the care of the staff and volunteers according to the guidelines presented in the Safety Policy.
