**"Where is the Light?"**

**Rev. Carol Bodeau**

As winter and spring dance together here in our northern California home, we begin to turn our thoughts to the coming months of warmth, light, and longer days. In what way would you like to

"lighten up" your life? We welcome the incoming of Spring and the Spring Equinox only a couple weeks away. Let us share light-hearted reflections on the darkness and

into the sunshine of play, joy and celebration of our lives.

Rev. Carol Bodeau is the Assistant Minister of the First Unitarian Church of the Peninsula in San Francisco. She has a long history of religious education and has visited the UU Fellowship of Los Gatos as a guest

speaker a few times in recent years. She focuses, in addition to children's RE, on earth-based spirituality and rites of passage.
